Mr. Leo Cone, Commodore, Golden Gate Yacht Club, appeared before the Commission to question the license fees being recommended for berthing at Yacht Harbor.

Messrs. William H. Ulfelder and Mario D'Augusta also questioned the need for establishing high license fees.

Commissioner Conway explained that a fee of 45¢ per lineal foot, plus 03¢ per square foot, was necessary to finance expansion and improvements to the Harbor through a $2,000,000 loan from the State of California. The Commissioner further explained that the proposed rate was slightly higher than those charged at other Harbors in the Bay Area but was required if expansion and improvements were to be made.

After discussion, and on motion of Commissioner Conway, seconded by Commissioner Herz, and duly passed, the following resolution was adopted:

Res. No. 3801 — Resolution No. 3801

Commission establishes rate for newly-const. berths at Yacht Harbor retroactive to 10/8/59

RESOLVED, that this Commission does hereby establish the rate of 45¢ per lineal foot, plus 03¢ per square foot, for mooring of boats in the newly-constructed berths at the San Francisco Municipal Yacht Harbor; and

BE IT FURTHER RESOLVED, that the aforementioned rates shall be made effective retroactive to October 8, 1959.

5 - Sharp Park - City of Pacifica:

City of Pacifica asked to delay reclassification of land near Sharp Park Golf Course

The Supervising Engineer reported that the City of Pacifica proposed to adopt a Land Use Program, but stated that the Plan would not basically affect the Golf Course at the present time; however, portions of the land under this Program are adjacent to the Sharp Park Golf Course.

The Acting General Manager stated that the General Manager had forwarded a letter to the City of Pacifica (Karl A. Baldwin, City Manager) - requesting a delay in the reclassification of the land adjacent to the Sharp Park Golf Course.

Matter referred to Commr. Conway and Staff

The matter was referred to Commissioner Conway and Staff.

NEW BUSINESS: (continued)

6 - The Palace of Fine Arts:

Palace of Fine Arts

Commissioner Herz made a brief report on the recent meeting held at Walter S. Johnson's home.

Dr. Herz reports on meeting

He stated the Commission should appoint a Committee to work with members of Mayor Christopher's Advisory Committee (to the Recreation and Park Commission). Mr. Johnson was very emphatic, urging all possible speed in this matter. The $2,000,000 appropriation from the State will expire June 30, 1940. The City Attorney is now working on the transferring of title.

Mayor's Committee makes recommendations

It was recommended at the abovementioned meeting that:

a) William B. Merchant, AIA, be selected as the Architect

b) This facility be rented

c) The Streets be closed

Commrs. Herz and Moore and Gen. Mgr. to work w/Adv. Com.

After discussion, Commissioners Herz and Moore, and the General Manager -- were appointed to work with the members of the Mayor's Advisory Committee.

3 - Golden Gate Park - Second Nine-Hole Golf Course:

Prelim. plans appvd. Second Nine-Hole Golf Course

The preliminary plans for the second nine-hole golf course, adjacent to and integrating facilities with the present pitch putt course - was presented.

Commissioner Conway stated that the plans, as presented, had been reviewed extensively by the Commission Committee and Staff - not only with respect to the golf layout, but also with consideration to future development of that area of Golden Gate Park.

Commissioner Conway further stated that the new course would operate as a nine-hole unit, in order to facilitate the accommodation of more golfers.

The plans submitted requires the closing of 47th Avenue Drive between Fulton Street and the Main Drive, and the construction of a pedestrian path.

The General Manager reported that these plans would dovetail with the plans for redevelopment of the northwest section of Golden Gate Park.

After full discussion, and on motion of Commissioner Conway, seconded by Commissioner Herz, and duly passed, the following resolution was adopted:

6 - Small Craft Harbor Commission Meeting:

Commissioner Conway stated that on short notice, he and Messrs. Harman and Phillips, attended a special meeting of the California State Small Craft Harbor Commission, held on Friday, January 22, 1960, at the State Building.

Some representatives present attacked the State Commission in an obvious effort to influence certain commitment changes.

Small Craft Harbor Commission Meeting

Commissioner Conway reported that the Recreation and Park representatives took the position that some 850,000 San Francisco citizens had played an important part in the legislation which approved the development of small craft harbors with State funds; and that 8,000 boat owners in San Francisco would certainly welcome facilities, rather than drive 50 miles distant.

Further, that the $20,000 economic feasibility report would properly measure the validity of San Francisco's status.

.....

Commissioner Conway also stated that Messrs. Harman and Phillips had rendered all out service, with a limited staff and deserved the highest commendation.

In further general discussion, the Secretary was directed to convey its grateful appreciation to Mrs. Margaret Larsen, Chairman of the Launching Ramp Sub-Committee of the Mayor's Small Boat Harbor Committee for her diligent and untiring efforts.

NEW BUSINESS:

1 - McLaren Park Golf Course - Clubhouse Plans:

Mr. Henry C. Collins, of William G. Merchant and Associates, presented preliminary plans for the construction of a Clubhouse at McLaren Park Golf Course.

The plans had been reviewed and approved by Staff members

Commissioner Conway stated that a meeting with the San Francisco Municipal Golf Committee would be held on Tuesday, February 16, 1960. Barring a real objection on their part, which would necessitate revision -- in the interest of expediting the matter at this time, Commissioner Conway moved that the plans be approved.

On motion of Commissioner Conway, seconded by Commissioner Coffman, and duly passed, the following resolution was adopted:

Res. No. 3869 — Resolution No. 3869

Preliminary Plans for C/H, prepared by Merchant & Associates approved w/pmt. auth.

RESOLVED, that this Commission does hereby approve the preliminary plans for a Clubhouse at McLaren Park Golf Course, as prepared by William G. Merchant and Associates; and

WHEREAS, the Recreation and Park Commission has approved the award of the Portsmouth Square Public Parking Lease to North Center Parking Corporation, and

WHEREAS, said lease provides in paragraph 21 thereof that the lease may not be assigned by Lessee without the written consent of Lessors, provided, however, that such consent shall not be unreasonably withheld by Lessors and that no assignment shall release the Lessee from the performance of its obligations thereunder nor shall any such assignment be made unless simultaneously with such assignment there shall be delivered to Lessors an instrument in writing executed by the assignee under which such assignee shall assume and agree to perform all of the obligations of Lessee under the lease, and

WHEREAS, North Center Parking Corporation has requested the consent of the Recreation and Park Commission and the City and County of San Francisco to assign said lease to City of San Francisco Portsmouth Plaza Parking Corporation, and

WHEREAS, the Parking Authority of said City and County has approved said assignment, and

WHEREAS, copies of said assignment and acceptance thereof have been filed with this Commission and have been considered; now, therefore,

BE IT RESOLVED, that said assignment by North Center Parking Corporation to City of San Francisco Portsmouth Plaza Parking Corporation is hereby approved and consent thereto is hereby given; and

BE IT FURTHER RESOLVED, that the President or the General Manager or Secretary of the Commission are hereby authorized and directed to execute the necessary consent on behalf of the Recreation and Park Commission, as Lessor. The City Attorney shall approve the form of said consent; and

BE IT FURTHER RESOLVED, that a copy of this resolution be transmitted to the Board of Supervisors with the recommendation of the Commission that the Board approve the assignment of said lease.

4 - Storyland - Duchess Concession:

The Commission considered the request of the Duchess Catering Co. to raise the prices on Coffee from 12 cents to 15 cents - and Hot Dogs from 20 cents to 25 cents.

Commissioner Conway questioned the price raise on coffee due to the recent drop in the market price.

Mr. R. P. Bronson, Vice President of the Cuchess Catering Co. explained that employees were recently granted an 11% increase in salary and that it was deemed best to increase commodities that would not entirely be passed on the childrens' items.

After discussion, and on motion of Commissioner Conway, seconded by Commissioner Moore, and duly passed, the following resolution was adopted:

Res. No. 3888 — Resolution No. 3888

Com. appvs. price inc. Coffee and Hot Dogs: Storyland-Duchess Catering Co.

RESOLVED, that this Commission does hereby approve the following increase in prices for the Duchess Concession at Storyland:

Coffee	From 12 cents to 15 cents
Hot Dogs	From 20 cents to 25 cents

6 - San Francisco Zoological Society - Supplement to Concession Lease:

Messrs. Alan Fleishhacker, President, and Dr. J. F. Gustafson, Executive Secretary, appeared before the Commission in behalf of their request to amend the present lease and expand the concession facilities at the San Francisco Zoological Gardens and Playfield.

Commissioner Conway stated that he had reviewed the amendments and felt that with four concession rides operating, there would be great improvement in service to the public.

After full discussion, and on motion of Commissioner Conway, seconded by Commissioner Moore, and duly passed, the following resolution was adopted:

Res. No. 3889 — Resolution No. 3889

S. F. Zoo Society - Lease Supplement

WHEREAS, the concession operation by the San Francisco Zoological Society at the San Francisco Zoological Gardens is on a non-profit basis, and

WHEREAS, as a resultant thereof, the area had been improved, increased service to the public has been rendered, and many valuable Zoological specimens had been added to the Zoo, without cost to the City and County of San Francisco:

NOW, THEREFORE, BE IT RESOLVED, that this Commission does hereby approve the Supplement to Lease expanding the concessions and including operation of rides as set forth in said Supplement, as affixed in the Minute records of this meeting:

FURTHER RESOLVED, that the General Manager and/or the Business Manager and the Secretary, be empowered to do such things and perform such acts as may be necessary to effectuate said Supplement to Concession Lease.

3 - McLaren Park - Roads:

McLaren Park - County Roads

The Supervising Engineer reported that the Department of Public Works was ready to proceed with the construction of certain county roads within McLaren Park, which was approved in principle by the Recreation and Park Commission at the regular meeting of December 24, 1957, Resolution No. 2874; and that at the present time, it is highly desirable to start work on that portion of the roads proposed to be constructed by county gas tax funds, extending Mansell Street westerly from the vicinity of University Street to the intersections of Dublin and Brazil Streets - and Dublin and Persia Streets, with a connection extending southerly to the vicinity of Visitacion Avenue and Hahn Street.

After full discussion, and on motion of Commissioner Conway, seconded by Commissioner Herz, and duly passed, the following resolution was adopted:

Res. No. 3906 Resolution No. 3906

Com. re-approves const. roads McLaren Pk. w/gas tax funds when available

WHEREAS, this Commission, under Resolution No. 1734, adopted on December 9, 1954 and Resolution No. 2874, adopted on December 24, 1957 - avowed its desire to approve construction of roads within McLaren Park whenever county gas tax funds were available for that purpose; and

WHEREAS, this Commission is dedicated to the earliest completion of McLaren Park:

Com. req. DPW to design & construct such roadways

BE IT RESOLVED, that this Commission does hereby request the Department of Public Works, for public convenience and necessity, to design and construct such roadways in the County Road System within McLaren Park which substantially conforms to the Land Utilization Program, in accordance with Recreation and Park Department Sketch No. 3096, provided that county gas tax funds are available for this purpose; and

BE IT FURTHER RESOLVED, that the General Manager and/or Business Manager and the Secretary, be empowered to do such things and perform such acts as to effectuate the provisions of this resolution.

Storyland - Special Fund Ordinance:

Ordinance No.____

"File 782-59

AMENDING CHAPTER 10 OF THE SAN FRANCISCO ADMINISTRATIVE CODE BY ADDING SECTION 10.109-1 THERETO, ESTABLISHING A SPECIAL FUND TO WHICH ALL REVENUES FROM THE OPERATION OF STORYLAND SHALL BE CREDITED AND PROVIDING THAT ALL MONEYS IN SUCH SPECIAL FUND SHALL BE USED EXCLUSIVELY FOR THE PURPOSES OF OPERATION, MAINTENANCE AND REPAIR, RECONSTRUCTION, AND IMPROVEMENT OF STORYLAND FACILITIES, PURSUANT TO THE BUDGET AND FISCAL PROVISIONS OF THE CHARTER.

BE IT ORDAINED BY THE PEOPLE OF THE CITY AND COUNTY OF SAN FRANCISCO:

Storyland-Special Fund Ordinance

Section 1. Chapter 10 of the San Francisco Administrative Code is amended by adding Section 10.109-1 thereto to read as follows:

Section 10.109-1. All revenue from the operation of Storyland, including, but not limited to, admission charges and income from leases, shall be credited to a special fund to be known as the Storyland Betterment Fund, the moneys in said special fund to be appropriated pursuant to the budget and fiscal provisions of the Charter for the following purposes in the order named, viz:

(a) for the payment of operating expenses;
(b) for maintenance and repairs;
(c) for replacements and reconstruction; and
(d) for extensions and improvements

Balances remaining in the Storyland Betterment Fund at the close of any fiscal year shall have been deemed to have been provided for a specific purpose within the meaning of Section 80 of the Charter and shall be carried forward and accumulated in said fund for the purposes recited herein."

and

WHEREAS, the adoption of the foregoing legislation will provide a nucleus for the future development of Storyland; and

WHEREAS, said development will redound with great benefit to the City and County of San Francisco and pleasure to all visitors:

NOW, BE IT RESOLVED, that this Commission does heartily approve this legislation; and

FURTHER RESOLVED, that this Commission does hereby highly commend all parties supporting this legislation.

COMMISSION COMMITTEE AND STAFF REPORTS: (continued)

12 - Kezar Stadium - 49'ers Contract:

President Haas reported that much study and several meetings had been held regarding future San Francisco 49'ers' use of Recreation and Park facilities. The President then called on Commissioner Conway for a general report to the Commission on the subject.

49'ers Football Contract

Commissioner Conway stated that the year-to-year agreement that had been in effect, mitigated against the Commission formulating an effective program for the proper maintenance of the properties; and that negotiations had been proceeding with the 49'ers on a ten-year lease agreement.

Said proposed lease agreement to give the 49'ers preference on dates during 1960-1961, in order that the Oakland Professional Ball Club could be accommodated pending construction of an East Bay Stadium; and that from 1962 thereafter during the 10-year term, the 49'ers would have exclusive use of Recreation and Park facilities for professional football.

Commissioner Conway also stated that certain conditional rental reduction would be embraced in the new agreement, when and if consummated.

RESOLVED, that this Commission does hereby duly authorize the award and execution of a contract with Ralph Murray, Director, Golden Gate Park Band Concerts, for the 1960-61 Season, under the same terms and conditions as the existing agreement except that the first and second paragraphs of Section 5 shall read as follows:

"The amount to be paid for each concert shall be determined by the number of musicians that are employed by the second party and shall be based on the following rates of pay:

1	Director	$95.00
13	First Instrument Players	17.00 each
28	Other Musicians	16.00 each
3	Program Boys	6.00 Total"

"This wage schedule to be in effect up to and including December 31, 1960, and from that date until the termination of this contract, the wage schedule as approved and established by Musicians Union Local No. 6 shall be effective and shall apply to this contract."

Section 6, as in previous years, provides that Mr. Murray may provide a qualified substitute director, if required, during the months of September and October 1960, in order that he may be available for duty with the San Francisco Opera Association on certain dates during that period.

Contract to be awarded in the amount of $35,650.00.

8 - Hamilton Square - Property Exchange with Redevelopment Agency:

Upon the advice of Mr. Patrick R. Kelly, Deputy City Attorney, the Commission considered a proposed resolution as the first step to be taken in exchange of property in accordance with the Redevelopment Agency program for the Western Addition.

Proposed Resolution would transfer an approximate 78' 3" strip of Hamilton Playground along Geary Street for an area in Block 706, which will eventually incorporate Block 727, and that portion of O'Farrell Street now existing between Steiner and Pierce Streets, for the development of a large recreational area.

After full discussion and on motion by Commissioner Conway, seconded by Commissioner Casey, the following Resolution was duly adopted:

2 - Kezar Pavilion - Proposed Boxing and Wrestling Events:

Vice President Coffman reported on the general proposal to hold wrestling and boxing events in Kezar Pavilion, as proposed by Mr. Lou Thomas and Mr. Joe Malcewicz.

In general, the promoters would pay the cost of operation, setting up of rings, seats, etcetera, plus prompt removal of same, and would pay a reasonable percentage of the gross receipts to the City.

Mr. Elwood Lang, representing the Board of Education and the Academic Athletic League, stated that the high school basketball games had been held in Kezar Pavilion for many years and that events of that nature would disrupt their sched-ule during the two months of the basketball season.

Mr. Lou Thomas volunteered to cooperate in any manner possible, and thereupon the matter was postponed until the next regular meeting.

3 - Candlestick Park -Proposed Ferry Service and Boat Docking Facilities:

Mr. Leo Lomski of Menlo Park appeared before the Commission in behalf of his proposal to erect temporary boat landing facilities and operate a deluxe ferryboat service from Redwood City to Candlestick Park.

Mr. Lomski stated that he owned a stern-wheel ferryboat that required only thirty inches draft and had a capacity of 228 passengers, and presented preliminary drawings of proposed landing wherein the 370 foot dock would provide finger piers for small private craft and docking space for other commercial type boats.

The rental fee to the City would be on a minimum monthly basis plus gross percentage, and the terms of the Agreement to be subject to review annually.

After a full and free discussion on all aspects of the proposal, and on motion made by Commissioner Coffman, seconded by Commissioner Casey, and duly passed, the following resolution was adopted:

Res. No. 4013

Com. approves Agreement with Show Boat Transportation Co. (Mr. Leo Lomski)

Resolution No. 4013

WHEREAS, Mr. Leo Lomski, representing a syndicate known as the Show Boat Transportation Company, offers to afford boat docking facilities and ferryboat service at Candlestick Park upon Park property located in Assessor's Block 5027, and

WHEREAS, all facets of the proposal are deemed to be of great import and real interest to all San Francisco, and

WHEREAS, the proffered facilities would be at no cost to the City and County of San Francisco and might become the source of sizeable revenue.

BE IT RESOLVED, that this Recreation and Park Commission does hereby approve the negotiation of a proper Agreement with the Show Boat Transportation Co.,

2-a) Kezar Stadium-49'er 10 year Contract:

Commissioner Coffman related the general history of Professional Football in Kezar Stadium, and that the Commission Committee and Staff had been negotiating with the Forty-Niners for a long term lease, that would be mutually beneficial. Commissioner Coffman stated that the terms for a ten year lease had been agreed upon and that in general, the lease would contain certain rental concessions, as well as exclusive use of Kezar for Professional Football after the 1960 and 1961 season, and further, that the Commission would reserve approval of the ticket prices to be charged. The long term lease would assure use and occupancy of Kezar and that planned maintenance and repair of the Stadium could be effected.

After a full discussion, and on motion made by Commissioner Coffman, seconded by Commissioner Conway, and duly passed, the following resolution was adopted:

Res. No. 4043

Resolution No. 4043

12- 1947-1955 Bond Fund Report:

The Commission reviewed and had general discussion on each item of both the 1947 and 1955 Bond Fund.

Review of the 1947 Bond Funds revealed that all 57 Projects are operative and rendering service to the public, but that on the five following projects additional necesaary improvements are underway, as follows:

Project No. 5 - Corona Heights

The balance of $14,553.00 will be used for the creation and construction of outdoor exhibit space and additional parking space insofar as the monies permits.

Project No. 6- Silver Tree Day Camp

Award of Contract for the construction of a Recreation Center Building was made by the Commission on June 23, 1960 in the amount of $142,355.00 contingent upon approval of the use of contingency reserve funds to cover the deficit of $3,805.00.

In addition thereto it is planned to do certain improvements of the terrain and the total over the present appropriated sum will amount to $25,000.00.

Project No. 28 - Rossi Pool

The reflected balance of $3,178.00 has been earmarked for the purchase of additional equipment and the Requisitions for Purchase Orders are presently being processed.

Project No. 55- HAYES VALLEY

The Commission has approved a contract with an electrical engineer for preparation of plans, specifications and inspection for an outdoor lighting system and believes that the balance of $21,320.00 will be sufficient for the completion of this installation.

Project No. 56- GARFIELD SQUARE

Originally it was contemplated by the Commission to construct a Swimming Pool, Gymnasium, and full sized Recreational Area and Center and when it became evident that the funds were insufficient it was decided to complete the Swimming Pool and to accomplish as much as possible for other facilities when a clearer picture of the bond fund balance could be had.

At the present time it is the decision of the Commission that a playground for small children be constructed and that a neighborhood center be erected that would serve the area for senior citizens, tiny tots and related activities.

It is estimated that the total cost will be $75,000.00, therefore the difference between $75,000.00 and balance appropriated of $24,080.00 will be officially requested by the Commission to be appropriated from the unappropriated balance and the contingency reserve.

....

The 1955 Bond Fund Projects were studied and the staff was directed to develop a finalized report in accordance with the discussion and decisions on each project.

2 - Aquatic Park - Bocci Ball Courts:

Mr. George Quesada appeared before the Commission and presented two perspective preliminary plans for the second phase of the Bocci Courts.

One perspective adequately served the purpose of the project, whereas the other, changed certain basic materials that would add to the esthetic value.

The Supervising Engineer stated that alternate bids would be taken in order that the Award could be made within the available monies.

On motion of Commissioner Coffman, seconded by Commissioner Herz, the following resolution was duly adopted:

Res. No. 4157

Plans etc. Approved for 2nd Phase of Bocci Ball Courts:

Resolution No. 4157

RESOLVED, that this Commission does hereby approve the preliminary plans for second phase of the Bocci Ball project at Aquatic Park, as prepared by Mr. George Quesada, Architect, and

FURTHER RESOLVED, that the Architect be paid in accordance with the provisions of his contract.

3 - Great Highway - Automobile Parking:

The Commission considered the request of the Associated Sportsmen to create auto parking bays along the Great Highway to accommodate the general public and especially for fishermen when the bass were running.

The Supervising Engineer presented several drawings of possible parking bays that could be constructed, including one in which a lower west side level could be used, wherein view of the Pacific would not be obscured. Mr. Julius von Mostitz, President of the Associated Sportsmen spoke in behalf of the request for the convenience of fishermen. Captain Moody of the San Francisco Police Department explained that traffic problems with parking bays would not increase the traffic hazards more than the present crossings of the Great Highway by pedestrians.

President Hess called upon all present that were opposed to the suggestion and the objections were litter, sand blowing and moral problems.

After full discussion, the matter was referred to Commission Committee and Staff and consultation with the City Traffic Engineer.

APPROVAL OF MINUTES:

There being no errors or omissions, the Minutes of the Regular Meeting of October 27, 1960 were approved.

* * * * *

DIAMOND HEIGHTS- GEORGE CHRISTOPHER RECREATION CENTER:

Vice President Coffman stated that in the current redevelopment of Diamond Heights the Recreation and Park Department would acquire two new areas to be developed as Recreation Centers and that the playgrounds were unnamed.

After general discussion, and on motion by Commissioner Moore, seconded by Commissioner Herz, the following resolution was duly adopted:

Resolution No. 4264

No. 4264

mond Heights-
ge Christopher
reation Center:

WHEREAS, the plans for the redevelopment of Diamond Heights has designated approximately 5½ acres westerly of Veterans' Boulevard and adjacent to the Neighborhood Center to be developed as a new Recreation Center, and

WHEREAS, His Honor, Mayor George Christopher, has unswervingly devoted his time, energy and capacity for the betterment of San Francisco in all aspects, and

WHEREAS, through his efforts San Francisco has gained stature and achieved local, national and world renown,

BE IT RESOLVED, that this Commission does hereby proclaim and officially name the aforesaid area in honor of Mayor George Christopher.

* * * * *

11/11/60

DIAMOND HEIGHTS- WALTER A. HAAS RECREATION CENTER:

Vice President Coffman relinquished his station and Commissioner Herz assumed the gavel, whereupon on motion of Vice President Coffman, seconded by Commissioner Moore, the following resolution was duly adopted:

Resolution No. 4186B

No. 4186B

mond Heights- ter A. Haas reation ter:

WHEREAS, the plans for the redevelopment of Diamond Heights has designated an area situated between Miguel and Addison Streets, overlooking the easterly portion of San Francisco, to be developed as a new Recreation Center, and

WHEREAS, Walter A. Haas has served this Recreation and Park Commission as its' President for the past several years, and

WHEREAS, under the leadership of Walter A. Haas, the Commission has formulated policies and rendered decisions for the best interests of all citizens, and

WHEREAS, Walter A. Haas has given unstintingly of his time on many matters of a civic nature, and

WHEREAS, the altruism of Mr. Walter A. Haas has redounded to the benefit of this Recreation and Park Department and all San Francisco,

BE IT RESOLVED, that this Commission does hereby proclaim and officially name the aforesaid area in honor of President Walter A. Haas.

* * * * *

President Haas arrived at the meeting and assumed the gavel. Vice President Coffman informed him of the business that had been transacted previous to his appearance.

President Haas lauded the action of the Commission for approving the Recreation Center in Diamond Heights to be named in honor of Mayor George Christopher, but decried the action of the Commission in naming the second playground in honor of an individual, who did not deem himself worthy of this honor, and who furthermore might be embarrassed in attempting to carry out the will of the Commission.

President Haas expressed his warm feeling and hearty appreciation to his follow Commissioners, but stated that he feared this action might mitigate against the approval of funds for said development, and requested the Commission to reconsider.

The Commission expressed themselves severally and individually and by acclamation declared the subject closed.

President Haas reiterated that if, in this action, it became apparent that the best interests of San Francisco would not be served, he would insist on reconsideration.

REPRESENTATIVES AND DELEGATES:

1 - Marina Yacht Harbor Development:

The Commission considered the development of the Marina Yacht Harbor as contained in the economic feasibility report of Arthur D. Little, Inc.,

The Supervising Engineer presented a summary of the report and outlined the physical improvements that could be accomplished at the Marina Yacht Harbor.

Vice President Coffman and Commissioner Herz related the history of previous years experience and the efforts that had been made to rehabilitate and expand Yacht Harbor.

Commissioner Conway stated that the entire subject had been thoroughly studied for many months by the Commission Committee and Staff and while the report showed that development of small boat launching and berthing facilities in the Candlestick Cove area was economically unfeasible, urged that full support and approval be given for the application of a State loan for the Marina area and that the matter be implemented to the fullest extent.

Commissioner Conway further stated that search and study for a feasible location south of the Ferry Building should be continued.

Several residents of the Marina Boulevard area were present and President Haas declared that any opponents would now be heard.

Among those who spoke in opposition were Col. Jos. F. Crosby, Mr. Lloyd S. Harriman, Mrs. Lee Vogel, and Mr. Henry Fourcade.

Mr. John C. Campbell, a resident of the Marina, spoke in favor of the project.

The averred principle objects were: depreciated land values, commercialization of the area, traffic hazards, and the creation of objectionable parking areas.

All protestants urged that the matter be delayed in order that full public hearings could be held.

Commissioner Conway contended that the present deteriorated condition and the lack of facilities at Yacht Harbor was deplorable, and that he believed the rehabilitation and expansion would enhance the entire area.

1 - Marina Yacht Harbor Development:

Commissioner Conway further stated that in the making of the application and in receiving consideration from the State for a loan, time was of the essence and should not be delayed, and that if the loan was approved further action by the Board of Supervisors was necessary and that hearings could then be held.

After full discussion and on motion by Commissioner Conway, seconded by Commissioner Coffman, the following resolution was duly adopted:

Re. No. 4187

Resolution No. 4187

RESOLVED, that this Commission does hereby accept the report entitled "Candlestick Cove and The San Francisco Marina - Two Studies of Economic Feasibility of Small Craft Harbor Development", as prepared by the firm of Arthur D. Little, Inc., and

FURTHER RESOLVED, that this Commission does hereby make formal application to the Small Craft Harbor Commission of the State of California for a loan of 1.5 million dollars based upon the economic feasibility as set forth in the aforesaid Report, and

FURTHER RESOLVED, that Arthur D. Little, Inc., be paid in accordance with the provisions of their contract, and

FURTHER RESOLVED, that this Commission does hereby approve implementing a program to carry out the recommendations of the Arthur D. Little, Inc. report including, but not limited to, requests for budget funds for the rehabilitation of the existing Marina Yacht Harbor and/or other phases of the proposed project to complete the Small Craft Harbor Development;

FURTHER RESOLVED, that it will be the policy of the Commission to urge the Staff to continue a vigorous program of investigating and developing, if feasible, a trailer-boat type of Marina on the Bay south of the Ferry Building;

FURTHER RESOLVED, that as soon as funds become available it is the intention of the Commission to enter into an agreement with Hutchison and Hayes, associated consulting engineers, for preparation of working drawings and specifications to cover the construction proposed in the rehabilitation and enlargement of Yacht Harbor; and

BE IT FURTHER RESOLVED, that the General Manager and the Secretary are to do and perform such acts as are necessary to implement the Small Craft Harbor Development Program.

2 - "Gardener of the Month" - Proposal:

Mr. John P. McLaughlin, Business Representative of the San Francisco Municipal Park Employees Union, appeared before the Commission and suggested that a selection of the "Gardener of the Month" plan be instituted and inquired if such a proposal was feasible.

President Haas stated that he would approve same, at no cost to the City, if the Staff could develop a satisfactory method.

NEW BUSINESS:

1 - OAKLAND RAIDERS:

The Commission took under consideration the request of the Oakland Raiders to change the remaining scheduled professional football games from Kezar Stadium to Candlestick Park.

Mr. Roger D. Lapham, of the Oakland Raiders, spoke on behalf of the Raiders for the rescheduling of their remaining games and was confident that details for operating Candlestick Park could be worked out with very little delay. Mr. Lapham also requested that in the event of a Play Off and/or Championship Game, provisions be included in the new agreement.

President Haas stated that the Commission had previously offered the Oakland Raiders the use of either Candlestick Park or Kezar Stadium and that the rental rate should be comparable to that now in effect at Kezar Stadium.

Commissioner Conway stated that it was consistent with previously established policy to grant this request provided that the City's interests are protected and that the practical problems could be worked out with the Stadia Committee.

On the motion of Commissioner Conway, seconded by Commissioner Herz, the following resolution was duly adopted:

2. Conservatory Valley - Floral Plaque Policy and Approvals

Commissioner Moore reported that considerable review and study of floral plaques in the Conservatory had been given by the Commission Committee and Staff, and that due to the great increase in requests and that the cost of planting individual designs had become prohibitive a change in policy would seem proper.

Commissioner Moore presented a colored drawing of the Golden Gate Bridge, as prepared by the Staff, and stated that the use of this design for a longer period and merely changing the identity of the organization or the event would effect a savings of about two-thirds of the present annual cost.

On motion of Commissioner Herz, seconded by Commissioner Carey, the Commission duly approved the recommendation of Commissioner Moore.

Commissioner Moore then presented the following [illegible] proposals for floral plaques.

COMMISSION COMMITTEE
AND STAFF REPORTS:

1. 1961-62 Budget Recommendations:

Commissioner Herz reported on the proposed 1961-62 Budget studies by the Commission Committee and Staff, and stated that the increase of $1,674,385. was mainly reflected by such items as:

Marina Yacht Harbor	$316,000.
Ferry Park Land	653,000.
Western Addition Redevelopment Land. .	175,000.
Western Addition-Development	50,000.
Diamond Heights-Land & Development. .	600,000.
Fort Funston Land.	800,000.

Further, that all monies in their entirety may not be needed in the 1961-62 fiscal year, it was deemed prudent to place these items in the budget recommendations.

After full discussion and on recommendation by the General Manager and on motion of Commissioner Herz, seconded by Vice President Coffman, the following resolution was duly adopted:

Resolution No. 4241

COMMISSION COMMITTEE AND STAFF REPORTS: (CONTINUED)

10. McLaren Park- Commissioner Francis J. Herz:(continued)

Res. No. 4246

Tribute to Commissioner Francis J. Herz:

Resolution No. 4246

WHEREAS, the area to be known as McLaren Park was set forth in 1928. and

WHEREAS, during the lapse of time the boundaries had been reduced several times. but with the passage of the 1955 Bond Funds 2.5 million dollars had been allocated for the development of McLaren Park and the boundaries had been finalized but that acquisition of properties lagged and President Haas appointed Dr. Herz as Commission Chairman for McLaren Park in February 1959. and.

WHEREAS. at this time litigation and negotiations have been cleared for the acquisition of all properties within the boundaries.

BE IT RESOLVED, that this Commission does hereby highly commend Dr. Herz for his devotion of time and persistence that resulted in achievement of the objective;

FURTHER RESOLVED, that Dr. Francis J. Herz be historically recognized for his efforts in the development of McLaren Park.

.....

Commissioner Herz thanked his fellow members but stated that the accomplishment could not be culminated without the splendid efforts of City Attorney Dion R. Holm. Deputy City Attorney. Norman Sanford Wolff. and the Director of Property. Philip L. Rezos.

After further discussion. and at the behest of the Commission. the President stated that appropriate letters would be sent to those officials.

facilities now under the jurisdiction of the Public Utilities Commission of the City and County of San Francisco, hereinafter called "Utilities," and

WHEREAS, the Recreation and Park Commission of the City and County of San Francisco hereinafter called "Recreation" desires to occupy, improve and use said tract of land, including the concrete roof of said reservoir, for recreational purposes; and

WHEREAS, Utilities desires to cooperate with Recreation in the development of the said property for the enjoyment and recreation of the people of San Francisco subject to certain conditions in the interest of Utilities;

THEREFORE, BE IT RESOLVED as follows:

Utilities hereby confers upon Recreation permission to occupy, improve and use said Sutro Reservoir Tract including the concrete roof of said reservoir for recreational purposes, subject to the following covenants, conditions and limitations:

1. Utilities shall at all times retain title to, control of and ultimate jurisdiction over, the said Sutro Reservoir Tract subject only to the grant of permission to Recreation as herein stated, to occupy, improve and use said tract of land, including the concrete roof of said reservoir for recreational purposes, and subject to the acceptance by Recreation of all responsibility for the maintenance of said tract of land, including said concrete roof, for recreational purposes.

2. Utilities shall further retain sole authority with respect to any sale, leasing, or other disposition of all or any part of said tract of land. The provisions of Sections 93 and 93.1 of the Charter shall be applicable to any such leasing.

3. Recreation shall not assign out to any person or entity any right to use any portion of said tract of land.

4. Recreation agrees that the primary purpose of the reservoir and appurtenant facilities is to supply potable water to the water consumers in San Francisco and that they will do nothing or suffer or permit anything to be done that, in the opinion of Utilities, is detrimental to the quality or use of the water in the reservoir.

5. Utilities shall at all times have full access to all of its facilities by means of suitable roads and shall have the right to perform any work necessary to construct or reconstruct said facilities, or any new facilities, on said tract of land as may be deemed necessary by it.

Public Utilities Commission Res.20867 (continued):

6. Any and all installations, improvements and paving made by Recreation on the roof of the reservoir and the type of recreation that the roof may be used for shall first be approved by Utilities; said usage shall be compatible with the structural design and drainage of the roof.

7. Recreation shall be responsible for the construction of adequate perimeter fences, and shall be responsible for construction of any fence or other protective measure required because of the recreational use of this area. Utilities shall be responsible for other fences that are only for the purpose of protecting the Utilities' water supply structures and appurtenances.

8. Utilities agrees to take reasonable precautions to protect structures and appurtenances used to supply potable water from possible damage or injury, provided, however, that the cost of any protective measure required because of the recreational use of this property and not otherwise required, shall be borne by Recreation.

9. All access roads to Utilities' facilities shall be maintained in good repair by Recreation. The reservoir's perimeter service roadway shall be restricted from public use along with the enclosed pump and chlorination area.

10. Any costs for providing, or any assessments in connection with, any fronting sidewalks to the said tract of land shall be borne by Recreation.

11. Recreation shall maintain all landscaped and planted or unplanted areas of the property not enclosed within protective fences installed by Utilities and may provide additional plantings and landscaping as desirable but such additional landscaping or planting shall not interfere with the operation and maintenance of Utilities' facilities.

12. It is understood that any and all roadways on said tract of land are not by this Resolution or otherwise to be dedicated to public use.

1. LAKE MERCED-BIDS FOR CONTRACT NO. 367: (continued)

AWARD OF CONTRACT NO. 367 AND REQUEST FOR SUPPLEMENTAL APPROPRIATION:

Commissioner Conway stated that the foregoing bids had been reviewed by the Commission Committee and the Engineering Division and were satisfied that the low bid was firm for the project and that any future Calling for Bids would result in higher costs.

Commissioner Conway related the history of the development of Lake Merced, and that this launching facility had been set forth in the 1955 Bond Fund and approved by a previous Commission.

Further, that the original location selected, proved to be undesirable due to the proximity of gun clubs, and that the present location adjacent to the Aquatic Center Building met with the approval of Commission Committee and Staff and the Sailing Club Representatives.

Subsequent soil studies revealed that a four foot layer of peat existed on the lake bottom that necessitated further dredging for a stable fill to afford a degree of permanency to the facility.

Commissioner Conway further stated that some 287 sailboats used Lake Merced, and that the Lake was also headquarters for the Sea Scouts.

After full and free discussion on the present status of the 1955 Bond Fund Projects and on motion of Commissioner Conway, seconded by Vice President Coffman, the following Resolution was duly adopted:

Res. No. 4285

Award of Contract No. 367 to The Duncanson Harrelson Co. ($50,824.) and Request For Supplemental Appropriation: $29,500.

REPRESENTATIVES AND DELEGATES:

1. HALL OF CHAMPIONS:

Hall of Champions Discussed:

Commissioner Conway stated the San Francisco News-Call Bulletin had suggested that a Hall of Champions be established in San Francisco and that the subject had merit as a civic enterprise, and deemed that the Recreation and Park Commission might very properly undertake this project.

Further, that a Hall of Champions would provide due recognition to the large number of athletes from this general area who have achieved world fame in many fields of sports, moreover, a successful establishment could become a real tourist attraction and could develop a healthy interest in sports among the youth in the surrounding communities.

'Bucky' Walters, sportswriter of the News-Call Bulletin, stated that Commissioner Conway had ably covered the subject and he felt certain that wide support would be assured.

After further free discussion, the matter was referred to Commission Committee and Staff for study and recommendation.

2. FORT FUNSTON:

Pres. Haas Reported on Meeting of the California State Park Commission, 2/17/61; and the Resolution Adopted at that Meeting:

President Haas reported that he had attended a meeting of the California State Park Commission in Sacramento on February 17, 1961, accompanied by members of the Staff.

The purpose of the trip was to interest the State in acquiring the Fort Funston property.

The President stated that the Staff had done such an excellent job in preparing the ground work for favorable consideration that his task was easy, and resulted in the following resolution being adopted by the State Park Commission on that date:

"WHEREAS, the Fort Funston property of approximately 116 acres in the City and County of San Francisco is being declared surplus Federal land; and

WHEREAS, the property contains 4000 feet of beach frontage and uplands available for outdoor recreational facilities; and

WHEREAS, the City and County of San Francisco through its duly authorized representatives has endorsed and recommended the acquisition of this property for recreational purposes; and

WHEREAS, various State legislators have endorsed and recommended the acquisition of this property for recreational purposes; and

WHEREAS, the California State Park Commission deems this property most suitable for inclusion within the State Park System; now therefore

BE IT RESOLVED: that the staff of the Division of Beaches and Parks be directed to cooperate with the officials of the City and County of San Francisco in working out the basis and details for financing the acquisition of Fort Funston; that the staff of the Division of Beaches and Parks take immediate steps for including the Fort Funston property as a part of the five-year continuing program for the development of the State Park System; and that all appropriate action be pursued to hold the property until negotiations with the federal government be concluded;

And, that copies of this resolution be sent to Senators Thomas H, Kuchel and Clair Engle, the members of the California delegation in the House of Representatives, and the Administrator of the General Services Administration."

NEW BUSINESS:

1. CANDLESTICK PARK-PARKING AREA CHANGES:

Mr. Reuben Owens, Director of Public Works recommended that certain changes in the parking area at Candlestick Park be approved.

The recommendation of the Director of Public Works, that certain changes be made in the parking area as per their Map No. PRP 146, was considered.

In effect this change would provide better facilities to the Giants in their business and concession operations and would afford more public parking facilities and furthermore would not materially affect the proposed landscaping of the area.

After discussion, and explanation, the following resolution was duly adopted:

Res. No. 4333: Changes in Parking area at Candlestick Park-Approved:

Resolution No. 4333

RESOLVED, that this Commission does hereby approve the changes in the parking area at Candlestick Park as set forth on the Department of Public Works map NO. PRP 146; and

SPECIAL ORDER OF BUSINESS:

1. FLEISHHACKER POOL-EMERGENCY PIPE LINE REPAIR:

The General Manager reported that the Emergency Supplemental Appropriation Request, in the amount of $42,160.00 for reconstruction of the salt water intake pipeline would necessitate the funds being taken from Bond monies.

Commissioner Moore objected to the use of Bond Funds for other than its intended purpose.

The General Manager explained that if the project was placed in a Supplemental Budget Request, monies would not be available in time to complete the job and open the Pool during the summer months.

After full discussion, and on motion by Commissioner Herz, seconded by Commissioner Bercut, the following resolution was duly adopted:

Re. No. 4338:
Fleishhacker Pool-Emergency Pipe Line Repair-$42,160.00:

Resolution No. 4338

WHEREAS, the reconstruction of the intake pipe at Fleishhacker Pool is necessary for the operation, and

WHEREAS, normal budget money would not become available for the coming summer season,

BE IT RESOLVED, that this Commission does hereby approve that monies for said job, as reflected in Resolution No. 4332 adopted March 9, 1961, ($42,160.) be taken from such Bond Funds, as may be legally available, and

FURTHER RESOLVED, that it is the intention of this Commission to request that this sum be replaced when same becomes necessary for Bond Fund Projects.

Res.4338 rescinded by Res.4369 4/6/61 (page 103) and context of Res.4332 adopted 3/9/61 reaffirmed (page 73)

2. SUPPLEMENTAL 1961-62 BUDGET REQUESTS:

Balboa Soccer Stadium-Field Lighting, $50,000, Mr. Boxer:

Balboa Soccer Stadium-Field Lighting:

Mr. Matthew Boxer appeared before the Commission in behalf of a budget request in the amount of $50,000 for the installation of lighting at Balboa Soccer Stadium.

Mr. Boxer averred that this project was necessary in order to attract international soccer events, and also that soccer is the fastest growing sport in the Junior High School age range.

President Haas thanked Mr. Boxer for his presentation and stated that the item would be acted upon with the other requests.

The Commission then considered each Supplementary Budget Request seriatim.

REPRESENTATIVES AND DELEGATES:

1. PALACE OF FINE ARTS-PROPOSED SCULPTURED FOUNTAIN GIFT:

President Haas recognized Mr. Ted Moulton, Architect, who has been active in the Palace of Fine Arts League.

Mr. Moulton stated that Mr. T. Marcel Chovin, a native of France immigrated to this country in 1906, and in 1913-1914 became associated with Mr. Bernard Maybeck, the architect of the Palace of Fine Arts and did much of the sculptural work on that ediface. Mr. Chovin died in Oakland in 1959, and that after the munificent gift of Mr. Walter S. Johnson for the restoration of the Palace, his widow Mrs. Elvira DeBonis Chovin gave much thought to a posthumous gift from her late husband, of a sculptured fountain, and that Mrs. Chovin was now prepared to make such an offer, and thereupon introduced Mrs. Chovin.

Mrs. Chovin stated that it is her desire to present to the people of San Francisco and California, an exquisite sculptured fountain, and to commission the best available sculptor for this purpose, and was prepared to pay a minimum of $50,000.00 for this purpose.

Mr. Moulton stated that preliminary meetings had been held with the present Architects for the Restoration of the Palace of Fine Arts and such a gift could be incorporated in their preliminary plans and be esthetically compatible.

After enthusiastic and complimentary discussion, and on motion by Commissioner Herz, seconded by Commissioner Moore, the following resolution was duly adopted:

1. PALACE OF FINE ARTS-PROPOSED SCULPTURED FOUNTAIN GIFT: (continued)

Resolution No. 4351

WHEREAS, Mrs. Elvira DeBonis Chovin has graciously offered to spend a minimum of $50,000 for the design and construction of a sculptured fountain to be located in the Palace of Fine Arts area, as a posthumous gift of her late husband, Mr. T. Marcel Chovin, who sculptured many of the works in the original Palace, and

WHEREAS, this offer will lend further beauty and adornment to the Restoration.

BE IT RESOLVED, that this Commission does hereby accept, in principle, the proffered gift, and

FURTHER RESOLVED, that Mr. Ted Moulton head a committee to formulate the program or theme for the sculptor, and that the Staff with the advice of the City Attorney explore the steps necessary for:

(1) acceptance by the State of California and the City and County of San Francisco; and
(2) to the satisfaction of the Donor.

2. MC LAREN PARK-NURSERY:

The Commission considered the relocation of the Balboa Nursery to McLaren Park.

Commissioner Herz stated that a Nursery to be located in McLaren Park was contained in the approved development plan, and that since construction of the Southern Freeway would soon preempt the area occupied by Balboa Nursery initial steps should be taken for construction of a Nursery at McLaren Park.

Mr. John McLaughlin, Recording Secretary and Business Representative of the San Francisco Municipal Park Employees Union, urged that construction be expedited.

Commissioner Moore felt that the subject and operation thereof be given further study.

Full and free discussion ensued, and whereas many months would elapse before construction could be completed it seemed prudent not to delay.

On motion of Commissioner Conway, seconded by Commissioner Herz, the following resolution was duly adopted:

Resolution No. 4352:

RESOLVED, that this Commission does hereby approve that preliminary plans and specifications for the construction of a Nursery (Greenhouse) at McLaren Park, in accordance with the Master Plan, be prepared, and

FURTHER RESOLVED, that it is the intention of this Commission that monies derived from the State for Balboa Park property occasioned by construction of the Southern Freeway be credited to the McLaren Park Nursery appropriation.

5. 1961-GOLF TOURNAMENTS:

The Commission considered the matter of customary Tournaments at the various Links.

Commissioner Conway stated that many of these Tournaments had been conducted for years and that in order to avoid discrimination considerable study needs to be given to the entire subject, with the objective that the best use of the facilities be given to the greatest number of golfers.

In view of the length of time necessary to properly resolve the problem, Commissioner Conway recommended that the 1961 schedule be approved.

After further discussion, and on motion by Commissioner Conway, seconded by Commissioner Moore, the following resolution was duly adopted:

REPRESENTATIVES AND DELEGATES:

1. PORTSMOUTH SQUARE-LANDSCAPE PLAN 16C:

President Haas reported that the Commission Committee and Staff had reviewed the Royston Landscape Plan for Portsmouth Square, and that it was the considered opinion that this Plan 16C was superior to Plan 16B.

Mr. Jerome Cohen, Deputy City Attorney addressed the Commission and explained the necessary legal steps to effect the modification.

After full discussion, and on motion by Commissioner Herz, seconded by Commissioner Casey, the following resolution was duly adopted:

Re. No. 4370:

Resolution Approving Landscape Plan 16C Modifying Exhibit A of Agreement Relating to Portsmouth Square Public Parking Facility:

Resolution No. 4370

WHEREAS, this Commission on November 5, 1959 adopted its Resolution No. 3732 approving Portsmouth Square Parking Facility legal documents, which documents are on file in the office of the Commission and consist of a form of Agreement between the City and County of San Francisco, the Recreation and Park Commission and the City of San Francisco Portsmouth Plaza Parking Corporation, and Exhibits to said Agreement; and,

WHEREAS, this Commission on December 3, 1959, adopted its Resolution No. 3761 approving certain changes in the Drawings and Specifications by the Substitution of a modified Exhibit A Drawings and Specifications, which included among other changes a new Landscape Plan designated Plan 16B; whereas, the aforesaid Agreement was formally executed by all parties thereto on December 31, 1959; and

WHEREAS, this Commission now desires to make further changes in the Landscape Plan and to that end has requested the City of San Francisco Portsmouth Plaza Parking Corporation to cause a new Landscape Plan to be prepared; and, whereas Royston, Hanamoto and Mayes, Landscape Architects, have prepared a new Landscape Plan which is designated Plan 16C dated April 5, 1961, and is on file with this Commission; and, whereas said Plan 16C has been reviewed by this Commission for consideration and is found to be superior in all respects to Plan 16B.

NOW, THEREFORE, BE IT RESOLVED, Landscape Plan 16C is hereby approved and the President or the General Manager or the Secretary of the Commission are hereby authorized and directed to execute an Amendment to the Agreement dated December 31, 1959, substituting Landscape Plan 16C in place and stead of Landscape Plan 16B as part of Exhibit A to said Agreement, provided however that said Plan 16C is also approved by the City of San Francisco Portsmouth Plaza Parking Corporation, the Art Commission, and the Board of Supervisors, and

BE IT FURTHER RESOLVED, that a copy of this Resolution be transmitted to the Board of Supervisors with the recommendation of the Commission that the Board approve Plan 16C and authorize the execution of an Amendment to the Agreement reflecting such change in Exhibit A of the Agreement dated December 31, 1959.

7. DUBOCE PARK-ENCROACHMENT:

The Director of Property advises that the four story frame flat building erected prior to 1906, located at 44-48 Potomac Street, Block 866, Lot 10, has encroached into Duboce Park 1.15 feet according to a survey made in 1953.

By virtue of this encroachment being in existence over 50 years, the Director of Property suggests that a permit be granted allowing continuance of the encroachment for the remaining life of the structure.

After full discussion, and on motion by Commissioner Moore, seconded by Commissioner Bercut, the following resolution was duly adopted:

R. No. 4426: Duboce Park-Encroachment-Com. Approves Granting of Permit Allowing Continuance of Encroachment for Remaining Life of Structure etc.:

Resolution No. 4426

WHEREAS, the four story frame flat building, erected prior to 1906, located at 44-48 Potomac Street, Block 866, Lot 10, has encroached into Duboce Park 1.15 feet according to a survey made in 1953, and

WHEREAS, said encroachment has existed for over fifty years,

BE IT RESOLVED, that this Commission does hereby approve that a Permit be granted allowing the continuance of the encroachment for the remaining life of the structure, said Permit subject to legal preparation and approval by the City Attorney, and subject to approval by the Board of Supervisors and any Officer and/or Agency of San Francisco, to be in compliance with the Charter provisions, and

FURTHER RESOLVED, that the General Manager and/or Business Manager, and the Secretary are hereby empowered to do such things and perform such acts as may be necessary to effectuate the provisions of this Resolution.

CALENDAR COMMITTEES

and STAFF REPORTS:

1. [illegible] TRAFFIC [illegible] REPORT:

The General Manager reported that he and the President had visited Candlestick Park and had held meetings with the Police and the Traffic Engineer with a view to alleviating the traffic congestion such as existed with the double-header held on Memorial Day, and that the Director of Public Works was requested to survey the problem and make recommendations in connection therewith.

Considerable discussion ensued on handling all aspects of the parking problem and the General Manager was directed to answer the Mayor's inquiry with reference to the subject.

As a result thereof, the Secretary reported that the Director of Public Works recommended that seven additional entrance-exit Gates be installed.

Upon motion of the General Manager, and on motion of Vice-President Coffey, seconded by Commissioner Hertz, the following resolution was duly adopted:

Resolution No. 4466

RESOLVED, that this Commission does hereby approve the recommendation of the Director of Public Works that seven additional entrance-exit Gates be installed at the Candlestick Park parking lot, and

FURTHER RESOLVED, that the Controller be and is hereby requested to approve the use of approximately $3500. from any such funds as may be legally available, for this purpose.

3. MARINA YACHT HARBOR-PRELIMINARY PLANS FOR REHABILITATION AND ENLARGEMENT:

Mr. George Harman, Supervising Engineer, presented the preliminary plans for the subject project, as prepared by E. Elmore Hutchison and Hayes and Little.

Commissioner Conway related the history of Yacht Harbor, and that the present condition of Yacht Harbor is badly deteriorated and the rehabilitation, beautification and enlargement of the area has long been the concern of this Commission.

FURTHER, that the rare opportunity to receive a State loan of $1,500,000 to be repaid with a nominal interest rate, made favorable consideration of these plans mandatory as time is of the essence.

Additionally, Commissioner Conway pointed out that these preliminary plans will provide an increase in berths from 200 to approximately 600 as well as modernization of the facilities, and that the desirability of affording enjoyment and recreation, not only to the citizens of San Francisco, but visitors, owners, guests and temporary occupants of berths based therein, that a well appointed restaurant be included in these preliminary plans, to be located in the Gas House Cove Area.

Colonel Joseph F. Crosby, President and Colonel Richard N. Jones, Director of the Marina Civic Improvement and Property Owner's Association, appeared before the Commission and requested that their organization be given the opportunity to study and review the plans before the Commission acted upon the matter.

Mr. E. Elmore Hutchison explained the plans in detail and stated that many modifications had been incorporated in the present plan in order to please all parties concerned, to the utmost degree.

President Haas stated that further feasible modifications could be made, and Mr. E. Elmore Hutchison offered his time and consultation to the Association.

After full and free discussion, in which Commissioner Conway complimented Messrs. George Harman and Pat Phillips, for their dedication to the execution of the project and that the ultimate fulfillment is a credit to them, Commissioner Conway moved, seconded by Vice President Coffman, and the following resolution was duly adopted:

Erection of Flagpole at Coit Tower-Ratified:

RESOLVED, that this Commission does hereby ratify the erection of a Flagpole at Coit Tower, and the placement of a plaque with the following text:

"TELEGRAPH HILL SEMAPHORE"

"During Gold Rush days, a look-out stationed in a structure on this spot observed and signalled the arrival of incoming vessels. By adjusting movable arms high on a tall pole and by hoisting national colors, he identified the nature of the ship arriving and alerted the town below. After four years, in 1853, this novel signaling system became obsolete through use of the electrical telegraph.

REPRESENTATIVES AND DELEGATES:

1. UNION SQUARE-GARAGE CORPORATION DISSOLUTION:

Mr. Lawrence G. Mana, Chief Deputy City Attorney, appeared before the Commission and submitted a proposed Reolution which effects the dissolution of the Union Square Garage Corporation, and transfer the Garage Operating Contract to the Recreation and Park Commission of the City and County of San Francisco.

Said transfer to the City would increase the revenue from approximately $5000. to $74,000. per annum the first year and increasing each year until the expiration of the Operating Contract, September 30, 1967.

After favorable comments, and on motion by Commissioner Herz, seconded by Vice President Coffman, the following Resolution was duly adopted:

Res. No.4525: Resolution No. 4525

Approval & Acceptance of Assignment of Garage Operating Contract etc.: WHEREAS, pursuant to the provisions of Section 42 of the Charter (then Section 41) the City and County of San Francisco, acting by and through the Board of Park Commissioners of the City and County of San Francisco, on the 18th day of March, 1941, entered into a 50-year lease with the Union Square Garage Corporation for the construction and operation of a public automobile garage and parking station beneath Union Square, and

WHEREAS, Union Square Garage Corporation thereafter, on the 31st day of December 1941, subleased said premises to Union Square Garage, Inc. for a period of 25 years terminating on September 30, 1967 by executing a document entitled "Garage Management and Occupancy Agreement," and

WHEREAS, thereafter on April 23, 1945 the Board of Supervisors of the City and County of San Francisco by adoption of its Resolution No. 4644 agreed on behalf of the City and County of San Francisco, to accept the ownership of all of the outstanding common shares of Union Square Garage Corporation and to transfer said shares of stock to certain trustees under the terms of a certain Declaration of Trust to be held by the trustees thereunder until payment of all of the indebtedness of the Union Square Garage Corporation incurred in the construction of the garage, and

WHEREAS, it was further provided in said Declaration of Trust that upon the payment of all of said indebtedness the trustees, prior to the termination of the trust, shall vote the stock of the Union Square Garage Corporation for the dissolution of said corporation, and

WHEREAS, all of the aforesaid indebtedness of the corporation has been paid and pursuant to the terms of said Declaration of Trust trustees thereunder now desire to vote the dissolution of the corporation and distribute the assets of the corporation to the City and County of San Francisco, and

WHEREAS, one of the assets of the corporation is the aforesaid Garage Management and Occupancy Agreement dated December 31, 1941 by and between Union Square Garage Corporation and Union Square Garage, Inc., and

"IN MEMORIAM

D A V I D E. L E W I S

RESOLUTION NO.560-61

WHEREAS, The Members of this Board of Supervisors have noted with a profound sense of civic and personal loss the death of David E. Lewis, former general manager of the Recreation and Park Department; and

WHEREAS, The passing of David E. Lewis brings to a close a most distinguished career, which included over twenty years of outstanding service as administrative assistant to Mayors Angelo Rossi, Roger D. Lapham, and Elmer Robinson, and general manager of the Recreation and Park Department, and has taken from the community a citizen whose character and competence were of marked superiority and a man whose dedicated service as a public official far transcended the bounds of duty; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco adjourns its meeting today out of respect to the beloved memory of the late David E. Lewis and does hereby direct that suitable copies of this resolution be tendered to Mrs. Mary L. Lewis, Mrs. Mary L. Smith, and Mrs. Ellen M. Cardwell, bereaved widow and children, as an expression of the Board's sincere sympathy and heartfelt condolence."

.....

4. HAMILTON PLAYGROUND-PUBLIC LIBRARY SITE:

Commissioner Casey reported that meetings had been held between the Library and Recreation and Park Commission Committees and Staff Members, relative to a Public Library Site in Hamilton Playground, and was now prepared to submit a recommendation on the subject matter.

After full discussion and study of blueprints submitted by Appleton and Wolfard, Architects, and on motion by Commissioner Casey, seconded by Commissioner Herz, the following Resolution was duly adopted:

Res. No. 4579:

Commission approves Public Library Site at Hamilton Playground subject to Library Commission first relocating a Mother's Area etc.,:

Resolution No. 4579

WHEREAS, the redevelopment of The Western Addition and the construction of the Geary Expressway will occasion relocation of Recreation and Park property in the Hamilton Playground area, and

WHEREAS, the Recreation and Park Commission on February 25, 1960 "approved Library in Hamilton Square on Scott Street between Geary and Post Streets-the delineation of the exact location to be determined after further study of the land use in that development area", and

WHEREAS, preliminary study has progressed to permit a decision in the subject matter,

BE IT RESOLVED, that this Commission does hereby approve the transfer of that property in Hamilton Square fronting along Scott Street and extending easterly to a depth of approximately 165' between the Geary Expressway and Post Street, and

FURTHER RESOLVED, that this approval is subject to the Library Commission first relocating a Mother's Area and Playground Area along Geary Expressway and make such other improvements as shown on Appleton and Wolfard's drawing Work Order No. 108-Department's No. GO-164, dated October 5, 1961; said site improvements to be at no cost to the Recreation and Park Commission; and

FURTHER RESOLVED, that the Library Commission is respectfully requested to consider the provisions of this Resolution at their regular meeting.

COMMISSION COMMITTEE AND STAFF REPORTS:

1. PERSONNEL - MISS HANNAH PEDERSEN:

The Secretary read the following resolution adopted by the Board of Supervisors and approved by His Honor, Mayor George Christopher:

"COMMENDING HANNAH PEDERSEN
RESOLUTION NO. 685-61

"WHEREAS, The members of this Board of Supervisors have learned with feelings of genuine regret and pronounced civic loss that November 15, 1961, will mark the retirement of Miss Hannah Pedersen, Chief Accountant of the Recreation and Park Department of the City and County of San Francisco, whose long and distinguished career with the city and county commenced in July, 1925; and

"WHEREAS, The unvaryingly pleasant association which all city officials and employees, as well as the general public have enjoyed with Miss Hannah Pedersen during her conspicuously commendable service to the city and county for more than three and a half decades, has led to the clear conclusion that a very real loss will be experienced by her departure and that her many fine personal attributes will be extremely difficult of replacement; and

"WHEREAS, The noteworthy services as rendered by Miss Hannah Pedersen and the exceedingly constructive spirit with which she has discharged her duties are laudable manifestations of a job well done, and the esteem and respect which she has earned are those which are reserved for the highest type of public employee; now therefore, be it

"RESOLVED, That the Board of Supervisors of the City and County of San Francisco do hereby extend to Miss Hannah Pedersen, its warm commendation and heartiest congratulations upon the culmination of her honorable career with the municipality; and do hereby direct that a suitable copy of this resolution be tendered to Miss Hannah Pedersen as an expression of the sincere wish of this Board of Supervisors that she may enjoy the fullest measure of health, happiness and success in all her pursuits for many rewarding years to come.

COMMISSION COMMITTEE
AND STAFF REPORTS:

1. PERSONNEL-MISS HANNAH PEDERSEN (CONTINUED)

"I hereby certify that the foregoing resolution was adopted by the Board of Supervisors of the City and County of San Francisco at its meeting of October 30, 1961.

"ROBERT J. DOLAN, Clerk

"Approved November 1, 1961.

"GEORGE CHRISTOPHER,

"Nov. 4, 1961-1t Mayor."

President Haas then presented the Supervisors' Resolution to Miss Pedersen with appropriate remarks and asked the Commissioners if the recipient should not also be presented with a resolution from this Commission.

Whereupon, by acclamation the following resolution was duly adopted:

Res. No. 4602

Resolution No. 4602

Resolution of Appreciation: Miss Hannah Pedersen

WHEREAS, Miss Hannah Pedersen, who commenced her devoted career in July, 1925, and with a Department budget of approximately $700,000, and which is now approximately $10,000,000, and

WHEREAS, in this era, the expenditure of budget monies was wholly within the province of the Superintendent and/or the Commission, be it contracts, services, materials, or employments, and

WHEREAS, the adoption of the present City Charter in 1932 necessitated the transition from handling the Department's business in a comparatively simple form, to a complicated and exacting form of accounting procedures, Miss Hannah Pedersen, by virtue of her study and understanding of the new Charter, rendered a service to the Commission and Staff far beyond the call of duty, and

WHEREAS, the excellent preparation of annual budgets with monies placed in the proper appropriations so that development and successful operation could be obtained, Miss Pedersen contributed to the development and beautification just as directly as the gardeners with their trowels, planting bulbs; now, therefore, be it

RESOLVED, that this Commission does hereby record its cognizance of the great value to the Department, rendered by Miss Pedersen, and

FURTHER RESOLVED, that this Commission does hereby concur with the Supervisors' Resolution, commending Miss Hannah Pedersen to the same degree as though the context thereof was contained in this resolution, and

FURTHER RESOLVED, that this Resolution of Appreciation be recorded in the minutes of this meeting, held on November 9, 1961, and that a proper copy of it be presented to Miss Hannah Pedersen.

3. DIAMOND HEIGHTS-PROPOSED "BENCH PARK":

A delegation from Upper Noe Valley appeared before the Commission in behalf of their request for a "Bench Park" in the vicinity of 30th and Laidley Streets.

Among those in attendance were:

Mrs. Catherine Bodine
Monsignor Robert I. Falvey
Mrs. Blanche Lano
Mrs. Walter E. Krohn
Mrs. P. A. Archibald
Mr. Oliver E. Merwin
Mrs. Kenneth Finis

President Haas welcomed remarks from all proponents of the project, and then inquired if the Commission Committee and Staff were prepared to make a recommendation.

Commissioner Moore reported that the Commission Committee and Staff had inspected the one acre plus, area and had studied the request from an overall Department aspect and resultant thereof could not recommend requesting approximately $90,000 for this purpose.

After further discussion, and on motion by Commissioner Moore, seconded by Commissioner Casey, the following resolution was duly adopted:

Res. No. 4606

"Bench Park" - Rejected:

Resolution No. 4606

WHEREAS, the Upper Noe Valley citizens had petitioned this Commission to purchase one acre plus, in the vicinity of 30th and Laidley Streets, for the development of a proposed "Bench Park"; and

WHEREAS, this request was not deemed to be of sufficient relative importance,

RESOLVED, that this Commission does hereby reject the proposal to acquire and develop "Bench Park", at this time.

11. KEZAR-DRESSING ROOM FACILITIES:

The Commission discussed the need for better dressing room facilities at Kezar.

Vice President Coffman, stated that the revenue from Kezar approximated a quarter of a million dollars a year, and that with a long term lease with the Forty-Niner's delay of the improvement was unthinkable.

Commissioner Conway remarked that the present dressing rooms were in a deplorable condition, if not actually unsanitary, and that the large number of tenants occupying the area during the year, made rehabilitation mandatory.

After full discussion, and on motion by Vice President Coffman, seconded by Commissioner Conway, the following resolution was duly adopted:

Res. No. 4647

Request for Supplemental Appro.for $140,000-rehabilitation & expansion of dressing room facilities at Kezar-Approved:

Resolution No. 4647

RESOLVED, that for the best interest and proper operation of the Recreation and Park Department, this Commission requests the Mayor, Board of Supervisors, and the Controller, to approve request for Supplemental Appropriation in the amount of $140,000 for the rehabilitation and expansion of the dressing room facilities at Kezar.

13. MARINA YACHT HARBOR MEETING REPORT:

REPORT: Marina Yacht Harbor Meeting- 12/7/61:

The President reported that on December 7, 1961, a meeting had been held with various Agencies having any jurisdiction in the Marina Yacht Harbor and Gas House Cove Area, in order to clarify and make possible the redevelopment and expansion of the project.

Represented at the meeting were members of the following organizations:

Hutchison, Hayes & Little, Engineers
California State Division of Small Craft
California State Small Craft Harbor Commission
San Francisco Real Estate Department
San Francisco Bureau of Engineering
San Francisco Department of Public Works
California State Lands Division
California State Attorney General
Deputy City Attorney
Port of San Francisco
Recreation and Park Commission and Staff

All phases of possible jurisdiction was discussed, all present were very cooperative and the Deputy Attorney General and the Deputy City Attorney will follow through on the legal aspects of the problems.

Pursuant thereto, the Secretary reported that at a subsequent meeting the San Francisco Port Authority had authorized the granting of a license to the Recreation and Park Commission, City and County of San Francisco, for the complete utilization of the submerged streets, under their jurisdiction in the Gas House Cove Area, and further that the Port Authority had also authorized the transfer of all properties under their jurisdiction in the Marina Yacht Harbor Redevelopment Area, to the California Division of Small Craft Harbors.

15. NURSERY DEVELOPMENT DUE TO ABANDONMENT OF BALBOA NURSERY:

President Haas stated that as a result of a letter from the Director of Public Works, the proposed development of nursery facilities at McLaren Park would cost an estimated sum of $337,000.00. The entire problem of replacing facilities occasioned by the loss of Balboa Nursery, due to Freeway construction, was re-referred to Commission Committee and Staff for full review and recommendations.

As a result of meetings and studies, a report was presented wherein the Golden Gate Park Nursery could be developed and expanded to afford the same approximate facilities as the proposed McLaren Park Nursery at an estimated cost of $193,390.00.

Much of the economy being due to the proximity of utilities, i. e. irrigation system, sanitary facilities, heating plant and fencing and no grading requirements.

Full discussion of all aspects of the project ensued in which the Committee and Staff were unanimous that in their best judgment the expansion and development of the Golden Gate Park Nursery would be preferable.

Mr. John McLaughlin, Secretary of Parks Employees Union, Local 311 AFL, voiced his objections to the proposal.

Further economies that would accrue from a single operation in a central location and adjacent trucking and equipment facilities were discussed.

Mr. Lou Jolly, representing residents in the area, stated that area in the proposed nursery at McLaren Park would be ideal for playground development.

On motion by Commissioner Moore, seconded by Commissioner Herz, the following resolution was duly adopted:

Res. No. 4649 — Resolution No. 4649

Nursery Expansion

RESOLVED, that this Commission does hereby cancel all future plans for the construction of a Nursery in McLaren Park to supplant the loss of Balboa Nursery and that the Director of Public Works be so notified, and be requested that he negotiate with the present Architect, Mr. Vincent Raney, to salvage all plans that could be used in the expansion of the Golden Gate Park Nursery.

FURTHER RESOLVED, that the Staff is hereby directed to pursue the aforesaid development in future planning.

ADJOURNMENT: There being no further business, President Haas declared the meeting adjourned at 5:10 P.M.

Respectfully submitted,

Paul N. Moore

The General Manager reported that meetings had been held with Commission Committee and Staff, and also with the "new" City Priority Committee, and that the 1962-63 Budget Recommendations reflected a reasonable approach to the subject.

Mr. Kimbell also stated that the 1963-64 Budget Recommendations would be considerably less due to elimination of requests for Ferry Park, Western Addition, and Diamond Heights.

The Business Manager further explained several facets of the Recommendations.

After full discussion, and on recommendation of the General Manager, and on motion by Commissioner Conway, seconded by Vice President Coffman, the following resolution was duly adopted:

Res. No. 4673

1962-1963 Budget Recommendations-$12,529,353.00-Approved:

Resolution No. 4673

RESOLVED, that this Commission, having previewed in detail the various categories of the proposed Budget, does hereby approve for submission to the Mayor, Controller and the Board of Supervisors, the Recreation and Park Department's 1962-63 Budget Requests, in the total sum of $12,529,353.00.

At the request of the Director of Property, and with the approval of the City Attorney and the Controller, the following resolution was duly adopted:

Res. No. 713:

Secretary Authorized to request the Board of Supervisors to declare Emergency for Facilities in Balboa Park etc.,:

Resolution No. 713

WHEREAS, the State of California through its Division of Highways is preparing to file an eminent domain action on or about April 2, 1962, to acquire from the City and County of San Francisco certain portions of Balboa Park in San Francisco, required for the Southern Freeway project; and

WHEREAS, the State upon the filing of said action will request an order of immediate possession of said real property; and

WHEREAS, as security for said order of possession and for the benefit of the City, the State will deposit with the Court the sum of $45,000.00; and

WHEREAS, before the State may construct a freeway on said property it is necessary that the City remove therefrom its existing water pipe lines, pumping station, automatic irrigation system, certain trees and shrubs, which are to be relocated on adjoining lands within Balboa Park; and

WHEREAS, it will be necessary for the City to construct a retaining wall on a portion of its adjoining land because the section of the freeway adjacent thereto will be depressed; and

WHEREAS, the Recreation and Park Commission wishes to cooperate with the State in the construction of this freeway project so that it may be completed as soon as possible; and

WHEREAS, to save time, it may be necessary for the City to have its Board of Supervisors adopt a resolution, pursuant to Section 95 of the City Charter, declaring that an actual emergency exists and that the work to be done by the City may be executed in the most expeditious manner,

NOW, THEREFORE, BE IT RESOLVED, that the Secretary on behalf of this Commission be and he is hereby authorized and directed to approve and submit to the Board of Supervisors whatever legislation may be necessary in connection herewith.

In any event, it shall be understood that all expenses with respect to all phases of the work to be done by the City shall be borne by the State. In addition, the State shall pay the City the present fair market value for the portions of Balboa Park needed for this freeway project, which money shall be credited to the Recreation and Park Department.

6. PERSONNEL-ROY L. HUDSON:

The General Manager reported that Mr. Roy L. Hudson had received an Award of Merit plaque from the California Association of Park and Recreation Administrators for outstanding Park Improvement and Development.

Mr. Kimbell stated that Mr. Hudson had started as a youngster with John McLaren and has progressed through the years to his present responsible position, and that the beauty of Golden Gate Park has been enhanced by his efforts for the past several years.

The Commission collectively and soverally congratulated Mr. Hudson on his preferment.

Mr. Hudson expressed his gratitude for having received the Award and thanked the Commission, and stated that the improvements that had been made were the result of team work, and that further development and beautification were contemplated in the near future.

On motion by Commissioner Herz, seconded by Commissioner Bercut, the Commission decreed that this Award be made a part of the minute record and affixed to Mr. Hudson's personnel record.

7. 1962 FEES-DAY CAMP OPERATIONS:

Commissioner Casey gave a detailed report regarding the Day Camp operations, and stated that inasmuch as the expenses far exceeded the revenue derived, it was necessary and expedient to increase the fee of $2.00 per week, previously charged.

Commissioner Casey also stated that a survey of Day Camps of other organizations indicated similar charges to be at least $7.00 a week, which fee does not include either lunch or transportation.

Therefore, on motion of Commissioner Casey, and seconded by Commissioner Moore, the following resolution was duly adopted;

Res. No.4716:

1962 Rate-Silver Tree & Pine Lake Day Camps Increased to $4.:

Resolution No. 4716

RESOLVED, that this Commission does hereby approve that the 1962 rate for attendance at the Silver Tree and Pine Lake Day Camps be increased to $4.00 per child per week.

2. MARINA YACHT HARBOR:

Four sets of plans and technical specifications covering four separate proposed contracts for the redevelopment of Marina Yacht Harbor were presented and explained to the Commission by Mr. George Harman, Supervising Engineer, who introduced Mr. E. Elmore Hutchison and Mr. J. E. Hayes, Consulting Engineers of E. Elmore Hutchison & Hayes & Little.

There was general discussion among members of Commission, Staff and representatives from Marina Civic Improvement and Property Owners Association, and it was understood that in the plans there was an area designated as space for a restaurant site, but that plans and specifications had not been developed. It was also understood that there would be alterations and extensions to the Harbormaster's Office Building; that there would be a marine fueling station, and that the only structure or facility in the plans under present consideration was the hoist; and it was further understood that the addition of any future structure or facility would be referred to the Commission for approval.

After full discussion, and on motion of Commissioner Conway, seconded by Commissioner Hers, the following resolution was adopted:

Res. No. 4719:

Plans and Specifications for the re-development of Marina Small Craft Harbor-Approved:

Resolution No. 4719

RESOLVED, that this Commission does hereby approve the plans and specifications for the redevelopment of Marina Yacht Harbor which are identified as follows:

COMMISSION COMMITTEE
AND STAFF REPORTS:

1. MUSIC CONCOURSE-AREA REHABILITATION:

President Haas stated that much study and many meetings with Commission Committee and Staff, and Representatives of the M. H. De Young Museum and the Academy of Sciences, had been held to formulate redevelopment of the Area, and to alleviate the traffic congestion and generally to improve and beautify the Music Concourse, and still retain certain facilities and necessary ingress and egress.

Mr. Hubert Schmidt, Landscape Architect, presented and explained a colored preliminary study of proposed road changes, increased parking facilities and landscaping, which largely had the approval of both the Academy of Sciences and the De Young Museum.

Mr. George Harman, Supervising Engineer explained that if this preliminary study was approved, the Director of Public Works could be requested to proceed with the preliminary plans and that in such development, modifications which appeared feasible could be incorporated.

President Haas remarked that the plans would be reviewed as the work proceeded, and that full cooperation would be given to the Academy of Sciences in incorporating their six suggestions and likewise to the De Young Museum Trustees, to afford ultimate possible facilities.

After full and free discussion, and on motion by Commissioner Herz, seconded by Commissioner Moore, the following resolution was duly adopted:

Res. No. 4746: Resolution No. 4746

Preliminary Study for Rehabilitation of Music Concourse, as shown on R & P Drawing No. 3255 Approved:

RESOLVED, that this Commission does hereby approve the preliminary study for rehabilitation of the Music Concourse with road relocation, increased parking facilities, and landscaping, as shown on Recreation and Park drawing No. 3255; and,

Relocation of Refreshment Concession;

Installation of fully automatic, electric, twelve-passenger capacity elevator.

Commissioner Casey stated that the Senior Citizen area would be doubled by this plan and likewise the Maritime Museum area would be increased, and that the Schuman Catering Company would be satisfied with the new location; and that the entire project was a matter of Commission policy with regard to relative importance in the entire 1962-63 Budget Requests.

Full discussion ensued between all members of the Commission and representatives of the Senior Center relative to the extent of sharing the total estimated cost of alterations, and resultant thereof the Senior Center representatives offered to bear the cost of the Automatic Elevator and relocation of the Refreshment Concession, if the Commission would undertake the other alterations.

Commissioner Conway remarked that the Commission could not be committed to a total alteration, but only insofar as moneys were approved and subsequent bids permitted.

On motion by Commissioner Casey, seconded by Commissioner Moore, the following resolution was duly adopted:

Res. No. 4756

Supplemental Budget Request Approved Aquatic Park Senior Center 1962-63

17. PERSONNEL -- RESOLUTION OF APPRECIATION -- PAUL N. MOORE:

President Haas, General Manager Kimbell, and members of the Commission complimented Paul N. Moore for his services, and President Haas directed the new Secretary to compose the following Resolution of Appreciation:

Res. No. 4783:
Paul N. Moore-
Resolution of appreciation-
Approved:

Resolution No. 4783

WHEREAS, the members of the Recreation and Park Commission have noted with pronounced regret that on May 31, 1962, Paul N. Moore, Secretary, will retire; and

WHEREAS, Paul N. Moore's retirement as Executive Secretary to the General Manager and Secretary to the Recreation and Park Commission culminated twenty-five years of faithful service to the Recreation and Park Department, having been with the Purchasing Division from 1937 to 1958 and also serving during this period, for an interval of three years, from 1944 to 1946, as Secretary to the Park Commission.; and

WHEREAS, the ability, intelligence and personal spirit with which Paul N. Moore approached the numerous problems which prevailed during World War II, at which time he handled all the purchases and maintained the inventories of the department, and under the duress of scarcity of materials combined with myriad regulations, was still able to maintain the good will and cooperation of the numerous suppliers, the Controller and the Purchaser of Supplies, and the incisiveness and willingness with which he has faithfully contributed his efforts, in every phase of his various activities, above and beyond the call of duty have been notable manifestations of his superior public service; and

WHEREAS, during his career, because of his character and competence, he gained the friendship and respect of his fellow employees, as well as those with whom he had official business transactions, which redounded to the inestimable benefit of this department and to the City and County of San Francisco; and

WHEREAS, the close and extremely pleasant relationship which the General Manager and the members of this Commission have enjoyed with Paul N. Moore has been both edifying and stimulating; now therefore be it

RESOLVED, that this Recreation and Park Commission does hereby express to Paul N. Moore its warm commendation and heartiest congratulations on his outstanding service to the department; and be it

FURTHER RESOLVED, that this Resolution of Commendation and Appreciation be recorded in the minutes of the meeting of April 5, 1962, and that an appropriate copy be presented to Paul N. Moore with the sincere wish of this Commission that he and his wife enjoy the fullest measure of health, happiness and success in all their pursuits.

AND STAFF REPORTS: (CONTINUED)

11. PERSONNEL - ARTHUR WHITTEMORE:

The General Manager announced that Mr. Arthur R. Whittemore, Manager of Kezar Stadium and Candlestick Park Stadium, had retired on March 31, 1962, after 37 years of service.

On motion of Commissioner Casey and seconded by Commissioner Bercut, the following resolution, which will be presented to Mr. Whittemore at a later meeting of the Commission, was duly adopted:

Res. No. 4801

Arthur R. Whittemore, In Appreciation - Approved.

Resolution No. 4801

WHEREAS, the members of the Recreation and Park Commission have noted with feelings of genuine regret the retirement of Arthur R. Whittemore on March 31, 1962; and

WHEREAS, Arthur R. Whittemore's retirement terminated a career of thirty-seven brilliant years of dedication and constructive public service, and the willingness and vigor which have characterized his official acts, have convinced all who have been fortunate enough to know him that he is the highest type of gentleman; and

WHEREAS, Arthur R. Whittemore's career started in 1925 when Kezar Stadium was nearing completion, and since 1951 he has had the sole responsibility of all events held there, from high school games to popular professional football games as well as the annual classic East-West Football Games and the May Day Festivals, handling all the details and graciously meeting through the years thousands of people, many of whom affectionately referred to him as "Mr. Kezar".

WHEREAS, because of his marked ability, when Candlestick Park Stadium was completed, and Big League Baseball came to San Francisco, this facility was added to Art Whittemore's jurisdiction; and

WHEREAS, the relationship which the General Manager, the members of this Commission, and fellow employees have enjoyed with Art Whittemore has been extremely pleasant, and has convinced all who have been associated with him that his many enviable personal attributes will be exceedingly difficult of replacement; now, therefore,

BE IT RESOLVED that this Recreation and Park Commission does hereby express to Arthur R. Whittemore its warm commendation and heartiest congratulations on his faithful service to the department; and

BE IT FURTHER RESOLVED that an appropriate copy be presented to Arthur R. Whittemore as a token of esteem, with the sincere hope that he and his wife may enjoy the fullest measure of health, happiness and success in all their endeavors.

ANNOUNCEMENT-SPECIAL MEETING:

Vice-President Coffman announced that there would be a special meeting of the Commission at Commissioner Conway's office, 601 California Street, on Monday, May 14, 1962, at 2 p.m., to discuss the situation relative to Gardeners and Assistant Gardeners, in the Supplemental Budget.

* * * * * * *

ADJOURNMENT: There being no further business, Vice President Coffman, presiding, declared the meeting adjourned at 6:10 p.m.

Respectfully submitted,

MARY B. CONNOLLY, ACTING SECRETARY
RECREATION AND PARK COMMISSION

San Francisco, California
May 14, 1962

MINUTES

A Special Meeting of the Recreation and Park Commission was called to order at 2:00 p.m. on Monday, May 14, 1962, Vice President Coffman presiding, at Commissioner Conway's office, 601 California Street, San Francisco, California.

* * * * * * * *

ROLL CALL: The following Commissioners were present:

Vice President William M. Coffman
Miss Mary Margaret Casey
Mr. John F. Conway, Jr.
Dr. Francis J. Herz

Absent:

President Walter A. Haas
Mrs. Joseph A. Moore, Jr.
Mr. Peter Bercut

This Special Meeting was held for the consideration of the following matters:

1. SUPPLEMENTAL BUDGET ITEM RELATIVE TO RECLASSIFICATION OF 41 058 GARDENERS TO CODE 3410 ASSISTANT GARDENERS:

The General Manager gave a brief history of the background of the new classification, stating that as a result of the Jacobs Survey in 1960, certain positions of O-58 Gardener were reclassified to Assistant Gardeners.

This reclassification did not have the approval of the staff nor of the Commission, and on December 22, 1960 the Commission adopted a resolution stating their position.

The General Manager further stated that the present Supplemental Budget calls for 248 gardeners, 41 Assistant Gardeners and 8 positions of Gardener reclassified to various other positions, and explained that if this Supplemental Budget was not ratified now 41 positions might be completely eliminated and only 248 - 058 Gardeners might be allowed.

The General Manager reiterated that the staff feels that for the best interest of the Department all Gardeners should be in one class, O-58. However, he explained the matter of classification is under the jurisdiction of the Civil Service Commission.

Mr. Bernard Ward, Deputy City Attorney, stated that it is the privilege of a Department to assign duties to positions but that it is the Civil Service Commission's right to make the classification of a position.

Mr. Ward further stated that the Mayor had already approved the Budget with 248 - O-58 Gardeners and 41 Assistant Gardeners.

Commissioner Conway stated that he did not believe the Commission should reverse its previous decision by accepting the change in classification made by the Civil Service Commission.

1. SUPPLEMENTAL BUDGET ITEM RELATIVE TO RECLASSIFICATION OF 41 - 0-58 GARDENERS TO CODE 3410 ASSISTANT GARDENERS: (CONTINUED)

General discussion ensued, and on motion of Commissioner Herz, seconded by Commissioner Conway, the following resolution was adopted:

Resolution No. 4831

...o. 4831
...plemental ...dget with ...rtain ...anges ...proved.

RESOLVED, that this Commission does hereby approve the Supplemental Budget covering status rights, classifications, and/or reclassifications, and that all Gardener positions indicated for reclassification by the Civil Service Commission be shown as Code 3416-(0-58 Gardener).

* * * * * * * *

Commissioner Conway then made a motion, seconded by Commissioner Casey, that the following resolution be duly adopted:

Resolution No. 4832

...o. 4832
...ecision of ...n, No. 4830

RESOLVED, that this Commission does hereby rescind Resolution No. 4830, which was adopted on May 10, 1962.

* * * * * * * *

2. PANHANDLE PARKWAY:

The General Manager explained that the Streets Committee of the Board of Supervisors was considering a Resolution requesting study of feasibility and plans for a Panhandle Parkway connection between Central Freeway and Park-Presidio Boulevard, and asked for the opinion of the Commission in this regard.

Commissioner Herz stated that the Commission was unalterably and unequivocally opposed to the Panhandle Parkway.

Vice President Coffman stated there was no opposition to a study being made but called attention to the many resolutions adopted by the Commission which objected to freeways in Golden Gate Park.

After general discussion and on motion of Commissioner Conway, seconded by Commissioner Herz, the following resolution was duly adopted:

...o. 4833
...anhandle ...kway; ...dy; ...proved

Resolution No. 4833

RESOLVED, that this Commission is agreeable to participating in a study of feasibility and plans for a Panhandle Parkway connection between Central Freeway and Park-Presidio Boulevard, provided no surface park property will be given up and that the proposed freeway will be based on the concept of true tunneling with no cut and fill.

3. LEAGUE OF CALIFORNIA CITIES PROGRAM COMMITTEE MEETING AT FRESNO, CALIFORNIA, MAY 24, 1962

By unanimous vote, permission was granted to the General Manager to attend the League of California Cities Program Committee meeting at Fresno, California, May 24, 1962, while enroute to Arrowhead to attend the meeting of Small Boats Harbors Commission.

ADJOURNMENT: There being no further business, Vice President Coffman declared the meeting adjourned at 3:17 p.m.

Respectfully submitted,

MARY B. CONNOLLY, ACTING SECRETARY
RECREATION AND PARK COMMISSION

4. BALBOA PARK:

The Superintendent of Parks submitted a report stating that he had been informed by the Real Estate Department that $508,225 would be forthcoming from the State of California Division of Highways for the sale of that portion of Balboa Park which is being used for freeway purposes.

There was an informal discussion regarding use of this money. Commissioner Herz made a motion, seconded by Commissioner Moore, and duly passed, that a letter be sent to the Real Estate Department, requesting that the amount received be credited to the Recreation and Park Real Propery Account for the specific use of this Department.

Commissioner Moore suggested that the plans for use of this money be presented at the August 9th meeting.

President Haas requested the Acting General Manager to follow through on this matter and to notify him and Commissioner Herz as soon as the money was available.

5. SENIORITY RIGHTS OF PERMANENT GARDENERS BEING REPLACED BY ASSISTANT GARDENERS:

Mr. John McLaughlin, Business Representative of San Francisco Muncipal Parks Employees Union, presented the following letter, which was read by the Secretary:

"SAN FRANCISCO MUNICIPAL PARKS EMPLOYEES UNION
Local No. 311, A. F. L-C.I.O.
1069-Howard Street
San Francisco 3, California

June 27, 1962

Recreation and Park Commission
Ray Kimbell General Manager
Park Lodge, Golden Gate Park
Fell and Stanyan Sts..
San Francisco, Calif.

Gentlemen:

Our organization strongly protests the placing of Assistant Gardeners in the jobs and locations now being held by permanent Gardeners. The plans are to replace 49 Gardener Classifications.

By doing this, there are men who have twenty odd years service being transferred; this of course disregards their seniority rights. These rights have been established and are in practice.

Our organization feels that in fairness to these faithful employees who have worked years to accumulate service, consideration should be shown. We were assured of this but to date this has been disregarded.

Yours truly,

JOHN P. McLAUGHLIN
Business Representative"

Mr. McLaughlin then requested the Commission to write a letter to the Civil Service Commission protesting the disregard for seniority in transferring employees.

After general discussion of this matter, with the consensus of opinion being that this was an administrative matter and should be handled by the staff, on motion of Commissioner Herz, seconded by Vice President Coffman, the following resolution was duly adopted:

RESOLUTION NO. 4884

RESOLVED, that this Commission does hereby refer the letter from the San Francisco Municipal Parks Employees Union, dated June 27, 1962, relative to seniority rights of permanent gardeners who are being replaced by assistant gardeners to the General Manager, with the request that a complete investigation be made; and be it

FURTHER RESOLVED, that this Commission believes that this is an administrative matter which should be handled by the staff, and that the replacement of gardeners and assistant gardeners should be under the direction of the staff of the Recreation and Park Department.

.....

President Haas requested the Acting General Manager to follow through on this matter with the Civil Service Commission.

On motion of Commissioner Casey and seconded by Commissioner Moore the following resolution was adopted and was presented to Garland Hoffman by Commissioner Casey:

Res. No. 4907: Garland Hoffman-Resolution of Appreciation-Approved:

Resolution No. 4907

WHEREAS, the members of the Recreation and Park Commission and fellow employees have noted with mingled emotions of genuine regret and cordial felicitations the retirement of Garland Hoffman, who has served the Department most capably and diligently as an outstanding Recreation Director for a period of thirty-six years; and

WHEREAS, during this time his marked ability, intelligence, kindness, consideration, and the personal spirit with which he has offered and presented recreational services at the various playgrounds where he was assigned, and where he was instrumental in developing numerous clubs for boys, have endeared thousands of children to him, and under his supervision many of these youngsters became outstanding athletes, particularly in field and track, in high schools and colleges in the Bay Area; and

WHEREAS, all those who were fortunate enough to know him have profited by his example and guidance, and are better citizens today because of their association with this highest type of gentleman; now therefore

BE IT RESOLVED, that this Commission does take public cognizance of the contribution which Garland Hoffman has made to the welfare and progress of the community, and does extend to him its highest commendations with very best wishes for his continued good health, happiness and success.

REPRESENTATIVES AND DELEGATES: (CONTINUED)

2. TWIN PEAKS-21 ACRE TRACT ON EASTERN SLOPES: (continued)

Mr. Carl Gellert of the Casitas Development Company spoke in behalf of the proposed building program stating that his Company had bought the property about 15 years ago and that 2 years ago the decision was made to develop the area into high class multi-family dwelling units. He also stated that when the property was zoned R-3 a plan was developed and presented to the City Planning Commission.

Mr. Gellert presented a colored photograph and an architectural model, showing the proposed building program and further stated that in order not to impair the view either from Market Street or from the Peaks the plan had been changed so that the buildings would be lowered to about 7 acres below the crest of the Peaks.

Mr. Gellert also stated that he was endeavoring to make an exchange with the Real Estate Department, which has already been approved by the City Planning Commission, whereby these 7 acres at the top of the Peaks would be relinquished for a parcel of similar size in a lower section presently owned by the City.

Mr. Gellert announced that the grading was being done under a legal permit according to the Subdivision Laws of the State of California, but that he would hold up operations if he had concrete evidence that the City would buy the property and he would be willing to sell at a price of six million dollars.

Miss Phoebe Brown of City Planning Commission gave the historical background of this Area and stated that the present proposed building program had the approval of the City Planning Commission.

After informal discussion, and on motion of Commissioner Moore, the matter was postponed until the next meeting pending further study and review by the members of the Commission.

2. KEZAR STADIUM, KEZAR PAVILION AND OTHER BUILDINGS:

Mr. George Canrinus, Coordinator-Health, Athletics, Physical Education and Recreation, appeared before the Commission and stated that the member schools of the Academic Athletic Association are desirous of having the same standards of behavior for high school athletic contests played at Kezar Stadium and Kezar Pavilion as those in effect when athletic contests are held on school property, in regard to the possession and consumption of alcoholic beverages.

It was also suggested that regulations be adopted in regard to throwing objects which would cause any injury or damage.

Mr. Canrinus requested the Commission to provide for enforcement of Article 2, Section 16 of the Park Code; which deals with signs and notices to be obeyed for the control, management, or direction of park properties.

3. TWIN PEAKS-21 ACRE TRACT ON EASTERN SLOPE:

At the request of the Acting General Manager, the following staff reports were made:

Mr. Bartle S. Rolph, Superintendent of Parks, stated that the grading which had already been done on this area had destroyed the endemic cover of the hillside, so that there was nothing visible except the red rock and clay. To make this property at all presentable would require close planting of eucalyptus, pines, cypress and ceanothus, which would have to be irrigated in order to get quick growth, and which would probably cost approximately $200,000. Mr. Rolph further stated that it would be twenty years before such growth would hide the cuts now existing; that the area was windy and would not be suitable for a park development, and that an exorbitant amount of money would be required to convert the slope into a usable, terraced park.

* * * * *

Mr. Edward A. McDevitt, Assistant Superintendent of Recreation, stated that the property would not be a desirable acquisition for recreation purposes, inasmuch as it is too steep and inaccessible to efficiently serve either children or adults residing in the district below the slope; that presently the large schoolyard of the Twin Peaks Elementary School serves as a playground for neighborhood children; and also, that the recent census figures indicate that the percentage of children in the surrounding neighborhood is inordinately low. Mr.McDevitt further stated that under the circumstances acquisition of the 21-acre tract under consideration was not recommended for recreation purposes.

* * * * *

The following spoke in behalf of the acquisition:

Mr. Bert Schwarzschild (who also presented a resolution from the 23rd Assembly District Democractic Club); Mr. Herman Stuyvelaar; Mr. Richard Boyle; Mrs. Henry Parachini; Mrs.Sidney Edmondson; Mrs. Thomas Best; Mrs. Ida Slee, Eureka Valley Promotion Association; Mrs.Geo. H. Beckman, California Club of California; Mr. Robert B. Freeman; Mr. Mario Spagna, President Eureka Valley Promotion Association; Mrs. M. Lasky; and Mr.William W. Cootes, Jr., Twin Peaks Improvement Club.

* * * * *

Mr. Carl Gellert of the Casitas Development Co. answered questions submitted, and presented his architect, Mr. Donald E. Kirby, who at the request of Commissioner Moore, described the type of buildings which would be treated as groups, and stated that the view lines had been worked out with the City Planning Commission Staff; that the density had been reduced by 300 units to provide open spaces between the buildings; and that landscape architects had been employed. Mr. Kirby reiterated that the roof heights had been lowered so that the view would not be impaired.

REPRESENTATIVES AND DELEGATES: (CONTINUED)

3. TWIN PEAKS- 21-ACRE TRACT ON EASTERN SLOPE: (CONTINUED)

Commissioner Moore then gave the historical background of the area stating that in 1912 a bond issue for the acquisition of privately owned property in the Twin Peaks area, which included the 21 acre tract under present consideration, was referred to the electorate and was rejected; that the policy of the City in regard to Twin Peaks was the preservation of the view from Twin Peaks Blvd. Toward this end, the two peaks and the narrow strip contiguous to the Boulevard were purchased, but the eastern slope was never suggested for inclusion in any of these purchases.

Commissioner Moore further stated that the Citywide Use Plan of the Master Plan designated the eastern slope as residential; that in 1954 a report prepared by the Department of City Planning "Parks and Recreation Areas in San Francisco" proposed a Green Belt area for the preservation of open spaces, and all recommended parcels of land were purchased. Again, a "view" point was declared but there was no recommendation for the purchase of the eastern slope, which had been designated residential.

Commissioner Moore remarked that the Recreation and Park Commission had a deep appreciation of the problem, and that the members were interested in preserving open spaces where possible and feasible, and stated that the matter of zoning was not presently before the Commission, but that the decision to be made was whether or not the land should be acquired for park or recreation purposes. Commissioner Moore said that at the present time 12.5 per cent of the area of the City and County of San Francisco is being used for such purposes.

Therefore, on motion of Commissioner Moore, seconded by Commissioner Herz, the following resolution was unanimously adopted:

Res. No. 4962:

Acquisition by Bond Issue of 21-Acre tract on eastern slope of Twin Peaks- not recommended:

Resolution No. 4962

RESOLVED, that this Commission does not recommend the acquisition by bond issue of the 21-acre tract on the eastern slope of Twin Peaks for park purposes; and be it

FURTHER RESOLVED, that the Education, Parks and Recreation Committee of the Board of Supervisors be so informed.

4. FERRY PARK:

Commissioner Herz reported that he had attended a meeting at the Redevelopment Agency on Wednesday, August 29, 1962, which had been called for the purpose of getting the various Federal, State and City Agencies concerned to agree on plans for the redevelopment of Ferry Park; that it was agreed that the Ferry Park would be planned and developed on properties west of the Embarcadero, so that there would be no conflict with the property owned by the Port Authority; and that the Recreation and Park Commission had been requested to appropriate $18,000.00 from the City's appropriation of $1,959,000 for the cost of acquisition of land, construction of Ferry Park, and the relocation of certain municipal railway facilities required thereby.

Commissioner Herz further stated that additional monies would be appropriated by other divisions to cover the immediate cost involved.

Therefore, on motion of Commissioner Herz, seconded by Commissioner Moore, the following resolution was duly adopted:

Res. No. 4975

Allocation of Funds from Appro. No. 2.657.607.000 Ferry Park, in amount of $18,000- Approved:

Resolution No. 4975

RESOLVED, that the Recreation and Park Commission does hereby request the Controller to approve and effect an allocation of funds from Appro. No. 2.657.607.000, Ferry Park, in the amount of $18,000; said amount to be made available to meet the City's share of expenditures in contracting for architectural and landscape architectural services for the preparation of a preliminary design of Ferry Park, in accordance with the modification of the Cooperation Agreement between the City and County and the Redevelopment Agency for the Golden Gateway and Ferry Park Project.

7. LUCKY LAGER GOLF TOURNAMENT:

Commissioner Conway stated that he would be unable to attend the next meeting and there was a possibility that the Lucky Lager Golf Tournament would be considered during his absence.

Commissioner Conway remarked that this year the Lucky Lager Tournament plan was to institute a "Horseshoe Club" - membership to cost $50.00- which would include a parking space, admission ticket, grandstand seat, and privileges of the Refreshment Tent, where there would be a buffet luncheon for members.

Commissioner Conway further stated that this was a matter that would have to be worked out by the staff, and would no doubt require legal opinion, but if possible he urged the cooperation of the Commissioners for the Tournament.

2. UNION SQUARE- CIVIC CENTER:

The request of Mr. A. Harer, for the Ad HOC Committee against the Blocade of Cuba, for the use of Union Square for a meeting at 11 a.m. on Saturday, October 27, 1962, was considered.

No representative of this Committee was present. However, Mr. Thomas Coakley, representing "The Students Committee in Support of American Cuba Policy", was present, and stated his group would like the use of Union Square for a Rally on Saturday morning, October 27, 1962 if the request under consideration was granted.

President Haas mentioned that there were previous commitments for Union Square for that afternoon.

Captain Kiely, Inspector Fitzpatrick, and Inspector Arnaud represented the Police Department, and it was their opinion that two events scheduled at eleven o'clock would conflict with a program scheduled at 1p.m. and there would be resultant traffic congestion if these requests were approved. The members of the Police Department suggested the use of the Civic Center Plaza for the meetings, since there would be no traffic problems at this location.

Therefore, on motion of Commissioner Conway, seconded by Commissioner Moore, the request of Mr. Harer was denied, due to previous commitments and the possibility of traffic congestion in this crowded area.

On motion of Commissioner Conway, seconded by Commissioner Bercut, permission was granted to Mr. Harer for the use of Civic Center Plaza, as an alternate location, on Saturday, October 27, 1962, at 11 a.m.

Then, at the request of Mr. Thomas Coakley, and on motion of Commissioner Moore, permission was granted to The Students Committee in Support of American Cuba Policy for use of Civic Center Plaza for a rally to be held at 10 a.m. on Saturday, October 27, 1962.

4. YACHT HARBOR-MARINA AGREEMENT WITH STATE OF CALIFORNIA

President Haas reported on the present status of the Lease Agreement with the State of California for the expansion of Yacht Harbor, and mentioned that the matter had been referred to the Finance Committee after having been approved by the Board of Supervisors on August 31, 1962, by their Resolution No. 2845, and was again considered by the Board of Supervisors at their regular meeting of December 3, 1962.

President Haas further stated that the Agreement had been signed by the Mayor but as yet had not been forwarded to Sacramento.

The Secretary was then directed to read the following letter from the Acting Clerk of the Board of Supervisors:

"December 4, 1962

"Recreation and Park Commission
Veterans Bldg.
Golden Gate Park
San Francisco, California

Gentlemen:

At the Board of Supervisors meeting of yesterday the following motion made by Supervisor James Lee Kelley was adopted:

'That the Recreation and Park Commission, with the cooperation of the Controller, present a constructive feasibility report to the Small Craft Harbor Commission at its January 21 meeting and seek to obtain moneys necessary for the Yacht Harbor without resorting to the public restaurant adjacent to the Marina Green.'

Yours very truly,

L. M. SEXTER
Acting Clerk of the Board"

cc: Supv. James Lee Kelley

.....

President Haas stated that this matter had been discussed in detail with the members of the Commission Committee, and that it was still his opinion and also that of Commissioner Conroy and Commissioner Hers that the restaurant is an essential part of the Agreement.

President Haas also remarked, reluctantly, that he did not feel that there was any alternative at present other than to proceed in accordance with the request outlined in the letter just read by the Secretary, inasmuch as the Board of Supervisors is the final authority insofar as such agreements are concerned.

After informal discussion and on motion of Commissioner Conroy, seconded by Commissioner Hers, the following resolution was duly adopted:

MOTION: Re Letters of Information and Appreciation:

B. The General Manager remarked that it had been the practice of the Secretary when preparing the agenda to list each letter which had been received, giving a resume' of the contents which, in some instances, necessitated a lengthy calendar for consideration by the Commission. The General Manager also stated that in cases where the subject matter was of particular interest, copies of such letters were sent to each member.

After discussion, and on motion of Vice President Coffman, it was agreed that letters of information and appreciation shall be listed on the agenda as having been received, and shall be available for review by any member upon request; also, that Secretary shall continue to send copies of letters of particular interest to each member of the Commission.
